## 384 WRITING GRANTS FOR THE WENNER-GREN FOUNDATION

**Building:** Hauptgebäude

**Room:** 205

**Time:** 8:30 - 10:00

**Format:** Workshop

**Organisers:** Rutherford, Danilyn (Wenner-Gren Foundation)

### SESSION ABSTRACT

The Wenner-Gren Foundation is a key supporter of anthropology worldwide. Danilyn Rutherford, the Foundation's president, will offer a workshop designed to help anthropologists from different countries and traditions of scholarship navigate the process of getting a grant. She'll describe the various funding opportunities Wenner-Gren offers for international graduate students, faculty and institutions, say something about the review process, and offer helpful tips on how to write a winning proposal. She will also share news about some initiatives Wenner-Gren is undertaking as part of its new strategic plan. There will be plenty of time for questions.
